## **Community Service:**

Britni helps her 91-year old neighbor by going to the shop for her and helping her with chores.

**Career Goal:** After graduating high school, Britni plans to attend university to pursue a career as a Veterinarian.

In her own words: *“Ever since I was 7 years old, I am always taking care of sick puppies. People usually laugh at me but I just shake my head and remember that I CAN! I WILL! And I MUST! achieve my goal to become a veterinarian.”*
