**Career Goal:** After graduating high school, Jhenelle plans to attend University to pursue a career as a Lawyer.

In her own words: *“Growing up I’ve always admired the job of being a lawyer. I started to admire the way many lawyers handle certain situations and I’ve gotten the determination in me to become a lawyer. . . . My life goals I know won’t be a walk in the park and therefore I know it will only be possible through hard work and determination. I’m pretty good at athletics but it’s not my future goals. I will use athletics as a vehicle to transport me along my way. First, I’ve passed for the school of my choice and from there I will start to work on my path of plan.”*
