ADRIANNA MORRIS

Community Service:

Adrianna visits the elderly and shut-ins to assist them with chores and read to them.

Career Goal: After graduating high school, Adrianna plans to attend the University of the West Indies and to pursue a career as a Medical Doctor.

In the words of her 6th Grade Teacher: Adrianna *“is a brilliant student who is always striving for excellence. She has also done well academically by topping the Grade Six Achievement Test (G.S.A.T) thus she was awarded the Student of the Year Trophy. She is also an effective leader in her role as Head Girl. I feel certain that you will be just as impressed by Adrianna as I am; I know she will excel at the prestigious Hampton School. I wholeheartedly support her for this scholarship.”* **Ms. Paula Salmon, Grade 6 Teacher**
